

2010 Babes With Bullets Scholarship Information

HiViz donates \$325.00 scholarships to women that cannot afford to come to camp. They have made it possible for numerous women to learn from and enjoy the Babes With Bullets experience. This scholarship is meant only for women that could not attend camp without this aid. Some of the criteria that one might meet in order to receive the scholarship includes : single mother, hardship due to loss of job, illness or disease, low income, and first time campers. As we know that every situation is different, this criteria is merely to give everyone an idea of the kind of women we are looking for to award the scholarship to. We will accept scholarship requests for the 2010 camps from November 1, 2009 through December 31, 2009. If all scholarships are not awarded in this time frame, we will repeat this process later in the year.
